Investing In the Community

We would like to recognize the growing list of business partners who have become members of the Florence Griswold Museum. Their support is vital to the Museum's educational mission: *to foster the understanding of American art, with emphasis on the art, history, and landscape of Connecticut.*

This membership program provides a unique marketing opportunity for businesses as they gain exposure to an audience of 3,000 Museum members, 86,000 unique web visitors, and well over 72,000 annual visitors from Southeastern Connecticut and beyond. Please help us in thanking these business partners by shopping at their establishments or utilizing their professional services.

"Our relationship with the Florence Griswold Museum over the past five years has been a very successful one. Between the MidSummer Festival in July, the Wee Faerie Village event in October, and the Magic of Christmas come December, we have an increased customer base that is very beneficial to our shop. The Museum is one of the great destinations in Old Lyme and we are very thankful for it!"
