BUSINESS PARTNER DIRECTORY

## 2016 BUSINESS PARTNERS

### Investing In the Community

We would like to recognize the growing list of business partners who have become members of the Florence Griswold Museum. Their support is vital to the Museum's educational mission to foster the understanding of American art, with emphasis on the art, history, and landscape of Connecticut.

This membership program provides a unique marketing opportunity for businesses as they gain exposure to an audience of nearly 3,000 Museum members and well over 70,000 annual visitors from Southeastern Connecticut and beyond. Please help us in thanking these business partners by shopping at their establishments or utilizing their professional services.

The Florence Griswold Museum is a nationally recognized center for American art and a place where the community gathers to enjoy exhibitions, educational programs, and special events.

For further information, contact the Membership Department:  
860/434-5542 ext. 112

*"Connected Systems is proud to have maintained a Business Partner Membership with the Florence Griswold Museum since 2009. Supporting their educational mission and watching their organization grow is a rewarding experience. As the Museum campus and its facilities expanded over the past decade, it has presented us with many exciting challenges as an Electrical Contractor. We wish the Museum and its entire membership continued success for years to come!"*
