

FLORENCE GRISWOLD MUSEUM

ANNUAL REPORT 2023

A NOTE FROM OUR EXECUTIVE DIRECTOR

What a year it's been! Everyone was so welcoming that my arrival in February felt more like a homecoming. And for that I say, "thank you" to our staff. It's their dedication and commitment that move this wonderful place forward. Thank you to our volunteers, the heart of the organization, for generously sharing their time and talents with us and our visitors. And thank you to our board, our leaders, who have true vision and focus. Most importantly, thank you, our Members. As you look through this report you will see the impact that you, as Members and supporters, have helped us make in 2023. Together we make a pretty fantastic team!

In keeping with this idea of welcome, we continue to widen what we call our community. Outreach projects throughout Connecticut (and even Massachusetts!), library passes in four states, and 21 school field trips and 39 adult group tours from four states and the UK are just a few of the ways we interact with a broad and diverse audience. Furthermore, there's bringing in collections from other museums and our loans of artwork to other institutions as well as virtual programs and online exhibitions that can reach across the country and around the world.

You will notice that this report is number driven. It's my belief that as Members of the Museum you want to see what an impact your support makes. I hope you enjoy going through the publication and are excited by the positive effect we have on our ever-growing community.

There is so much more to come! Please make sure that we have your email so that you can receive timely information. You can email Nathaniel@FloGris.org with your most current email address.

On behalf of all of us at the Museum, we are grateful for your support and hope to see you often in the coming year.

Joshua Campbell Torrance

THE FLORENCE GRISWOLD MUSEUM is a non-profit organization dedicated to fostering the understanding of American art, with emphasis on the art, history, and landscape of Connecticut. The Museum is located on twelve acres from Florence Griswold's original estate and includes the Florence Griswold House, the Robert and Nancy Kriebel Gallery, the John and Kelly Bill Hartman Education Center, the John and Dyanne Rafal Landscape Center, the William Chadwick Studio, Marshfield, the Huntley-Brown House, a living landscape, and a collection of American art focusing on Connecticut, highlighted by the Hartford Steam Boiler Collection. Other collections include New England furniture, decorative arts, artifacts of everyday life, a reference library, and the Lyme Historical Society Archives. Education programs include exhibitions, lectures, trips, interpretive tours, youth Art Colony Camp, and publications. The Museum also owns the Catherine Fehrer House and property in Lyme. The Museum is accredited by the American Alliance of Museums.
